Animals are reliable, many full of love, true in their affections, predictable in their actions, grateful and loyal. Difficult standards for people to live up to. â€“Alfred A. Montapert

Since itâ€™s Valentineâ€™s Day I thought Iâ€™d write about the love of a dog. I love my family first and foremost, but there is nothing like the love of a dog. After all, it is God spelled backwards. My dog Fritz gives me unconditional love. Even though he begs no less than ten times a day for a treat, it isnâ€™t a requirement for his affection. He also doesnâ€™t talk back, listens attentively when I speak and is always genuinely happy to see me. I wish I could say that about my children.
