

Pumpkin Pie French Toast

Description

pumpkin pie french toast

Since it's still November I decided to post one last pumpkin recipe. My daughter is now officially pumpkined out. However she loved this pumpkin pie french toast. I made it Thanksgiving morning for my family, and I have a feeling it will be an annual tradition now. I found the recipe through pinterst and it's original source is from the blog [zestuous](#). If you would like to see step by step instructions with lovely photos on how to make it please click [here](#). The recipe uses King's Hawaiian Sweet Rolls which are a family favorite. I doubled this recipe because it's hard to eat just one.
