

\$25 Amaze Boutique Gift Card Giveaway

Description

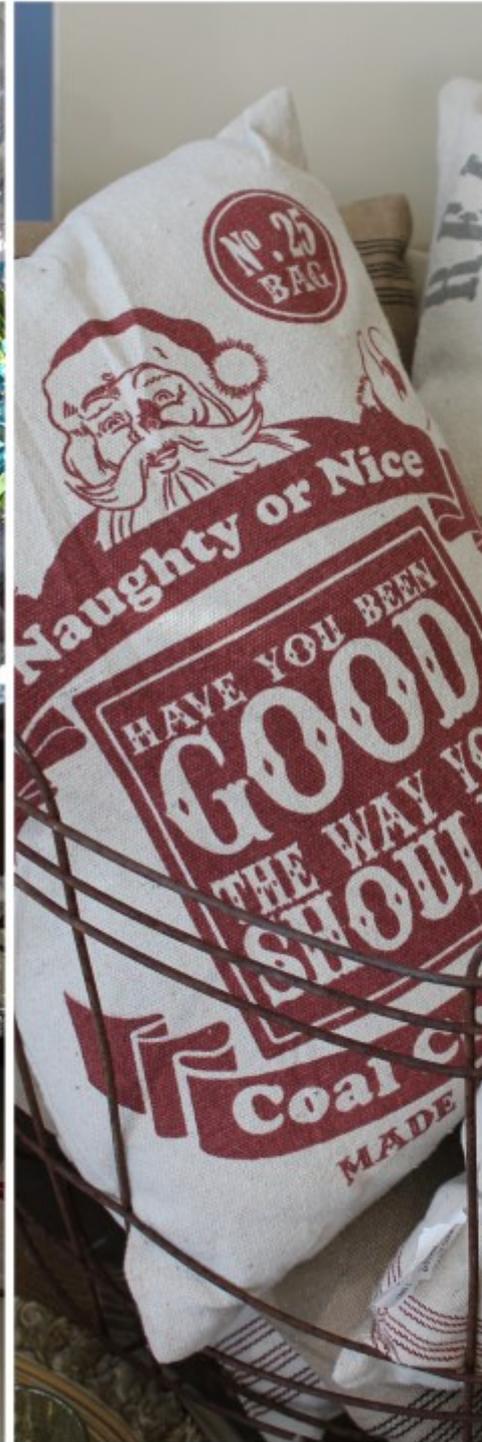

Amaze Boutique & Gifts

This photo describes Amaze Boutique & Gifts perfectly. A great place to find great presents for yourself or a girlfriend. The first time I went into the store my intention was to check it out quickly and then get my grocery shopping done across the street at Price Chopper. Let's just say the grocery shopping didn't happen because I spent too much time being amazed and taking it all in. Owner, Amy Hopper offers amazing merchandise. I have featured a few of my favorite things currently in their store.

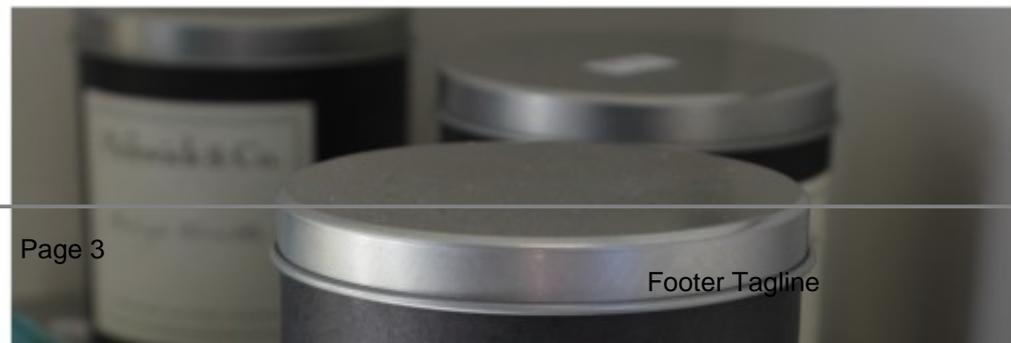

Amaze Boutique & Gifts

Amaze Boutique & Gifts

This vintage Christmas tree reminds me of our first Christmas tree growing up in the late 60s and 70s. I love vintage items and these pillows are adorable.

Amaze Boutique & Gifts

I love Pickwick candles. I like the clean and simple packaging, their scents and they burn well. They are made locally and Amaze is one of the few places I have found that sells them. They also sell some very unique journals which is also one of my favorite things.

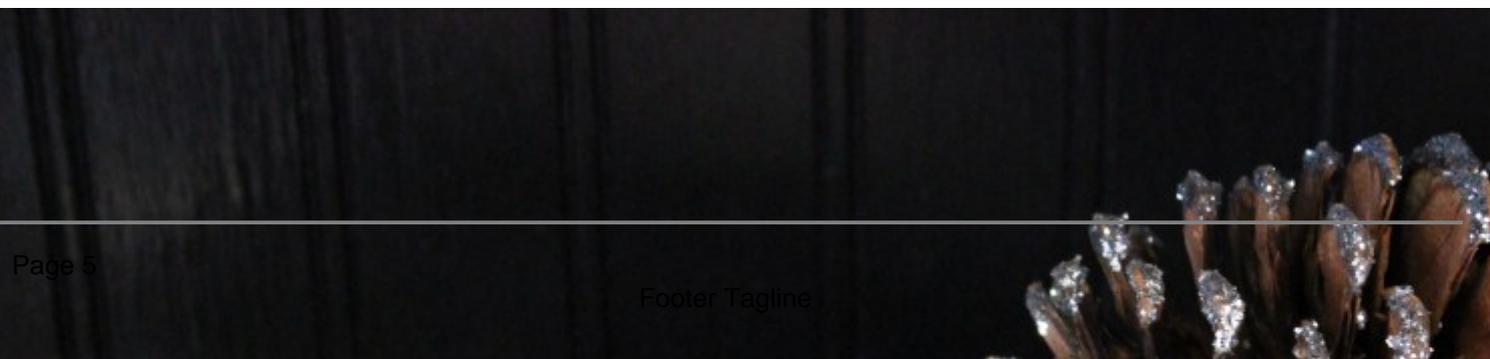

Amaze Boutique & Gifts

Curly Girl Designs and Artist, Kelly Rae Roberts merchandise can also be found at Amaze. I love their fun artwork and inspirational quotes. You can also find all sorts of fun plaques.

Clothing and all sorts of accessories like hats, scarves, purses and jewelry are also sold at Amaze.

Personalized cross bracelets at Amaze Boutique & Gifts

These sterling silver cross bracelets would make a very personal gift for someone special and can be engraved with a favorite Bible verse. Melanie Bremer, aka Hammering Red Head, engraves them. Please allow plenty of time for personalizing though if it's a gift, especially this time of year. Melanie also offers charms that can be personalized with favorite words or family members names.

Waxing Poetic Jewelry & Custom Charms at Amaze Boutique

Amaze boutique carries the Waxing Poetic jewelry line which is beautiful. They offer an assortment of insignia charms and chains crafted of sterling silver and mixed metals. I love charm bracelets and necklaces. I've worn them since I was a kid. I have the voyager letter D and the owl charm that I wear on a gold necklace. One of the mixed metal chains is next on my wish list.

I hope I've enticed you enough to visit Amaze Boutique. They have three locations and the store at 135th & Quivira just moved around the corner. They are in the same strip center, but now face 135th St. next to JR's BBQ. The other locations are 9460 Renner in Lenexa and 2123 E. 151st in Olathe. I will notify the winner of the \$25 gift card and you will need to decide which store you'd like to visit to claim your prize. This offer is open to Kansas City area residents only.
