

25 Ways to Wear a Scarf

Description

My sister-in-law introduced me to [Wendy's look book](#). It is a fashion website and the creator Wendy has several fashion tutorials. This one is 25 ways to wear a scarf in 4.5 minutes. I have a few scarves, but I'm always uncertain on how to wear them. The holiday season brings lots of outings with family and friends and a scarf is a nice way to dress up your outfit or add a pop of color. I hope this video gives you some new ideas and if you have time you should check out her [website](#). I think she is darling and before I read her about page I assumed she was a fashion buyer or had some sort of degree or job in fashion. After I read her story I liked her even more. She actually grew up in foster care and is an advocate for juvenile justice. She is a reminder to me of how you shouldn't judge a book by its cover.
