

## Year Anniversary & Giveaway

### Description

I started this blog February 2, 2012 on Blogspot and then later switched to WordPress around August. For the first six months or so I only had a handful of readers because I was still navigating my way around blogging and didn't tell very many people about it. I have seen my blog evolve in this last year and my hope is that it continues to do so. If you find yourself with some time to kill, I've highlighted a few of my favorite past posts. Most of them are fairly short.

I'm grateful that you take time in your day to visit my blog. As a thank you, I'm giving away some of the favorite things I've blogged about over the past year. Once lucky reader will receive a basket of the following items: **Love Crunch, Sea Salt Caramels, Five Crowns Card Game, Essie Nail Polish (Demure Vixen), and Williams Sonoma Spiced Chestnut Hand Soap.** To enter just leave a comment and tell me your favorite post. Also please spread the word to your friends. **The last day to enter is Friday, February 8, 2013.**

If you enjoy reading my blog every day you can subscribe to it by email or an RSS feed. It's very easy. At the top right of my page it says **GET FREE UPDATES.** Just click on email and add your address. There is one more step. You will get a confirmation email asking you to click on the link to confirm. If you don't get this, check your spam filter. You have to confirm otherwise you won't get my updates. My hope is that as my blog grows, I'll be able to offer more giveaways which are sponsored. All of my giveaways have been sponsored by me with the exception of the local businesses I featured in December. They were kind enough to donate a gift certificate, but I've never been paid or asked to promote a place or thing. The things I feature are truly things I enjoy.
