

Dancing Machine

Description

[Dancing Kid Steals the Show!](#) by [Jokeroo](#)

This boy is sexy and he knows it! Evidently this video was taped at a Rascal Flats concert. I think he would be one hard act to follow. I wish I had that kind of confidence in front of a crowd. I hope this video makes you **smile**. It's a little blurry, but I think you get the picture. The next time you go to a concert or hear your favorite song, I hope you dance.
