

Ellen

Description

Ellen DeGeneres makes me **smile**. I love the pranks that she plays on people from time to time. I don't watch her show that often because of the timing of it, but whenever I do she makes me **smile**. We are traveling to the United Kingdom this summer and decided to use Trafalgar tours as our guide. The guide can make or break a bus tour so I sure hope we don't get one like in this prank. Have you ever been on a tour where you thought "is this person for real?" Come to think of it, you don't even have to be on a bus tour.
