

Good Deals

Description

[\\$12.99 Cushion Covers with quick shipping](#)

Good deals are a **simple joy!** [Very Jane](#) is a daily deal website that features merchandise from different boutiques and Etsy artists. My friend Mary shared this site with me and I'm not sure if I should be thanking her. If I'm not careful I could wind up buying something from their site almost every day. However, I love a great deal and [Very Jane](#) delivers them to my email inbox every morning. The plus side is, I'm saving time and money on gas. Have I mentioned before that I'm good at rationalizing just about anything? I've pictured a few examples of deals they offer. I purchased a chevron pillow cover a month ago, but I don't think it was from this particular vendor.

I also purchased this chevron table runner in red. Are you noticing a pattern?

[\\$8.99 8 x 10 personalized state prints with heart placement](#)

My friend Mary purchased one of these state prints. I'm not sure if it was the same seller, but it's a very cute idea if you're in love with your home state. Both Mary and I have been very happy our purchases.

You'll either love me or hate me for sharing this website. Either way I hope you find some good deals!
