

Simple Joys

Description

default watermark

I am currently residing in Seaside, Florida for a **getaway weekend** with my husband. The beach is one of my favorite places on earth. It's a simple joy to **walk the beach** and listen to the **sound of the**

ocean. It's very peaceful to me. This is the view from our quaint little balcony where I sit typing this and enjoying my morning cup of coffee. I'm not sure if it has something to do with the view, but it's a great tasting cup of coffee. I definitely feel blessed right now especially since it was snowing yesterday at home.

I also enjoy lounging in a beach chair while reading a **good book** and sipping a **cocktail** with a fancy little umbrella in it. I will hopefully be doing that later today. I hope you find some simple joys today. Cheers!
