

My Favorite 4th of July Ideas

Description

[source In Katrina's Kitchen](#)

I have scoured pinterest and the world wide web and selected my top five Fourth of July ideas. My prerequisites were they had to have the colors red, white and blue and be fairly easy to make. I hope

you enjoy checking out these ideas and decide to try something new this July 4th. Under each photo I've included the link to the website where you can find the details on how to make each item.
