

The Smile List

Description

My friend Stacey at [Likes to Smile](#) writes a weekly column called [the smile list](#) where she shares things sheâ€™s loving. My **smile** column usually consists of stories that make me laugh or smile when I think about them. I like to share anything from an inspirational story to a funny you tube video. I usually write my smile post on Mondays because traditionally Monday mornings can be tough. However, a smile can brighten someones day and as Phyllis Diller said, â€œset everything straight.â€ The following are a list of links to some of my past **smile** posts.

1. [Sibling Love](#)
2. [Caught In A Lie](#)
3. [Vito Corleone](#)
4. [Kid President](#)
5. [Somewhere Over The Rainbow](#)

6. [Strongest Dad in the World](#)
7. [OM](#)
8. [St Clare](#) – this is a personal favorite
9. [You’re Never Too Old](#)
10. [The Office](#)

Be sure to check out Stacey’s [smile list](#). She’s sharing some really fun items by Dylan Kendall that made me **smile**. Also, be sure to sign up for the [\\$150 JC Penney gift card](#) giveaway. A winner will be chosen at random by rafflecopter. Happy Monday!
