Description

I fancy a roundup! Iâ€™ve been pinning all sorts of recipe roundups like [25 Sangria recipes](#), [50 Sweet & Savory Pies](#), and [One Hundred Nutella Recipes](#). Iâ€™ve also done several of my own recipe roundups [10 Infused Water Recipes](#), [10 Blueberry Recipes](#), and [12 Recipes on a Stick](#). Itâ€™s sort of a trend right now among some bloggers. Iâ€™ve written several posts about items I love at Trader Joeâ€™s market so I thought Iâ€™d combine them into one big roundup with the addition of a few new items Iâ€™ve come to love. Iâ€™ve listed the items starting from the top left and going left to right.

1. **Lemon Curd**â€“ tastes great on top of pound cake or an english muffin, you can also put it on fruit or mix it in with Cool Whip
2. **Unexpected Cheddar Cheese**â€“ a mix of a parmesan and cheddar cheese

3. **Spinach and Kale Greek Yogurt Dip**â€“ a healthy dip to eat with veggies or crackers
4. **Dark Chocolate Mint Creams**â€“ one or two hits the spot
5. **Blue Cheese Roasted Pecan Dip**â€“ goes great with Buffalo Flavored Wheat Thins
6. **Coconut Body Butter**- a nice thick body cream
7. **Dorot Chopped Basil**â€“ an alternative to fresh basil. Itâ€™s great to mix in sauces or simply use in place of fresh.
8. **Cilantro Salad Dressing**â€“ if you like Cilantro youâ€™ll love this dressing
9. **Raisin Rosemary Crisps**â€“ the unexpected cheddar cheese pairs well with these crackers.
10. **Inner Peas**â€“ my friend Cathy introduced me to these. I love me some inner peas.
11. **Meyer Lemon Cookie Thins**â€“ a light cookie that goes great with coffee in the morning. Trader Joeâ€™s also sell coconut and ginger thins which are equally delicious. You can eat quite a few for not a lot of calories.
12. **Sea Salt Butterscotch Caramels**â€“ very addictive
13. **Super 8 Veggie Mix**â€“ goes great in a mixed salad
14. **Island Soyaki**- I love to use this as a marinade on chicken and pork chops.
15. **Roasted Gorgonzola Crackers**â€“ if you like blue cheese youâ€™ll probably like these.
