Me Too [leopard pony hair shoes](#) / [Cara necklace](#) / [Round trivet](#) / [Tory Burch Amanda™ Smartphone Wallet](#)

Welcome to the Nordstrom Giveaway! These are a few of things I™m loving from Nordstrom. The trivet was a gift from my husband for Mother™s Day. I use it as a cheese board and it™s one of my favorite entertaining pieces. If I were to win a \$100 gift card to Nordstrom I would use it to splurge on one of the other items I™ve featured. I also love to eat at Nordstrom™s Cafe and own two of their cookbooks. I™ve shared their popular [tomato and basil soup recipe](#) and [sylvia™s apple bread](#) in past posts.

Are you in need of a little splurge as we step into Fall? If so then sign up for this giveaway. It™s easy. Just leave a comment on my blog and then use the rafflecopter form below to enter. All other entries are optional. The winner will receive a \$100 gift card to shop for designer collections and luxury brands at Nordstrom.
