

Enjoy The Ride

Description

I took this picture at the Missouri State Fair this summer. I wasn't quite sure what I was going to do with it, but it made me **smile**. How can you not smile at a Kraft Macaroni and Cheese ferris wheel? Kraft Macaroni and Cheese is a staple in our house. I often struggle with just enjoying the present moment. I'm always striving to be better at something. It could be any number of things:

photography, blogging, decorating, cooking, organizing, parenting, etc. I need to remember to **enjoy the ride** and just be grateful for now!
