

KC Holiday Mart Ticket Giveaway

Description

Shopping is a simple joy for me when I don't have an agenda and I'm not looking for something specific. The Kansas City Holiday Mart is a shopping extravaganza where you can browse goods from over 220 specialty retailers. Holiday Mart is an annual fall tradition for me and many of my friends. I look forward to going every year and have been going for at least 20 of the 26 years it has been around. Local retailers and retailers nationwide offer a variety of specialty products such as: home decor items, jewelry, clothing, holiday decorations, food items, gifts and more. Every year there seems to be at least one hot item or two that I have to purchase. It's a great way to spend time with friends and find unique gifts for the holidays or yourself.

Proceeds from the Holiday Mart support community projects sponsored by the Junior League of Kansas City, Missouri including its commitment to Children's Nutrition and Fitness. Holiday Mart has helped to raise more than \$8 million for KC community projects since it began in 1988. Approximately \$0.85 of every dollar raised at Holiday Mart goes back to the KC community.

Holiday Mart takes place at Bartle Hall and runs from Thursday, October 17 to Sunday, October 20. Ticket prices range from \$10 for a single day ticket to \$45 which includes a multi-day ticket, VIP cocktail buffet and other goodies. Click [here](#) for ticket information. **I'm giving away two Weekender Tickets good for all day shopping Saturday and Sunday to one lucky reader. One**

ticket for you and another to share with a friend. The Junior League has graciously donated the tickets, but the opinions expressed in this post are my own.

Please leave a comment below this post and tell me what is your favorite gift to give to enter. This giveaway will end on Sunday, October 13. A winner will be chosen at random and I will notify you by email on October 14. This is a shopping event you won't want to miss!
