

Simple Joys

Description

To love and be loved is one of the greatest simple joys, but I've got a few more I wanted to share this week.

25 CANDY CORN

I love candy corn! Especially this time of year. This is a roundup of 25 candy corn treats from [A Night Owl Blog](#). My favorite way to eat candy corn is pretty simple though. Just mix a bag of candy corn with a can of peanuts. It tastes like youâ€™re eating a Baby Ruth candy bar. I waited until this week to buy candy corn, but I still havenâ€™t opened the bag. Once I get started I canâ€™t stop!

I love going to movies and had the opportunity to see two films recently. What's even better is I loved both of them. **Rush** is based on the true story of the fierce rivalry between race car drivers James Hunt (Chris Hemsworth) and Niki Lauda (Daniel Bruhl) that took place back in the 1970s. I don't follow race car driving and had no idea who these men were, but their story is fascinating. Director Ron Howard is brilliant as always and Chris Hemsworth isn't bad on the eyes. He reminds me of a young Brad Pitt. For those who have seen the movie, you can check out what was fact or fiction in the movie [here](#). Most of it is factual.

Runner Runner is a movie about on-line gambling, corruption and what happens when you sell your soul for power and greed. Richie (Justin Timberlake) is a poor college student who once had a lucrative career on Wall Street. He becomes involved with on-line gambling and travels to Costa Rica to confront Ivan Block (Ben Affleck) who he believes has cheated him. Ivan runs the biggest empire of on-line gambling and Richie quickly gets in over his head. The movie didn't get very good reviews, but my husband and I enjoyed it. I think Justin Timberlake is a great actor considering his main craft is music.

I can't quite get in the spirit of Christmas when we haven't even had Halloween yet, but I can get in the mood for shopping. I look forward to this shopping extravaganza every year which features unique items from over 220 retailers. In case you missed it, I'm giving away two Weekender Tickets to the Annual KC Holiday Mart, October 19 & 20. Click here to [enter](#). All you need to do is leave a comment on my [original post](#).
