[Buffalo Chicken Dip](#)

I love the flavor combination of buffalo sauce mixed with blue cheese. One of my most popular posts on pinterest is my [Buffalo Chicken Dip](#). For those of you who don't like blue cheese (like my father-in-law), you'll be happy to know that there isn't any in this dip. The dip tastes great and is easy to make, but unfortunately my picture isn't the greatest. However, it's still one of my most popular posts.

Since it seems I'm not the only one who loves buffalo sauce I thought I'd share a few buffalo sauce recipes I think look quite tasty. They would be great for a football party or even a movie night. For the collection you may pin the collage above or click on each individual link for the recipe.

My friend Christine made this dish and it was a big hit with her family. It's also one of Rachel Ray's top 10 recipes of 2013.

I hope one of these recipes inspires you to break out your favorite buffalo wing sauce and try a new dish.
