Catching

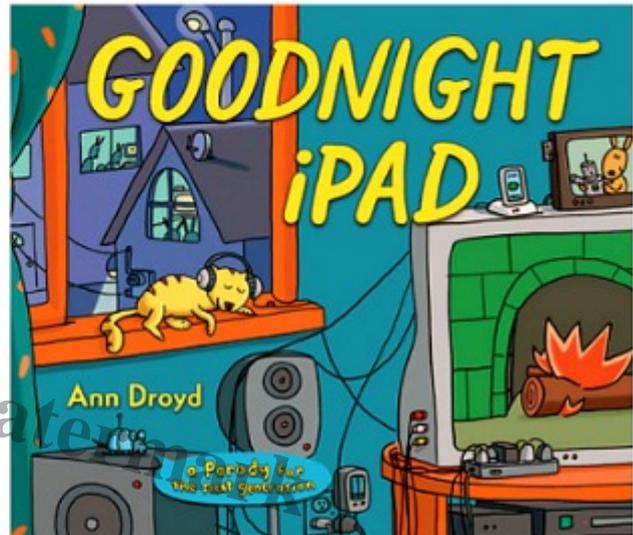

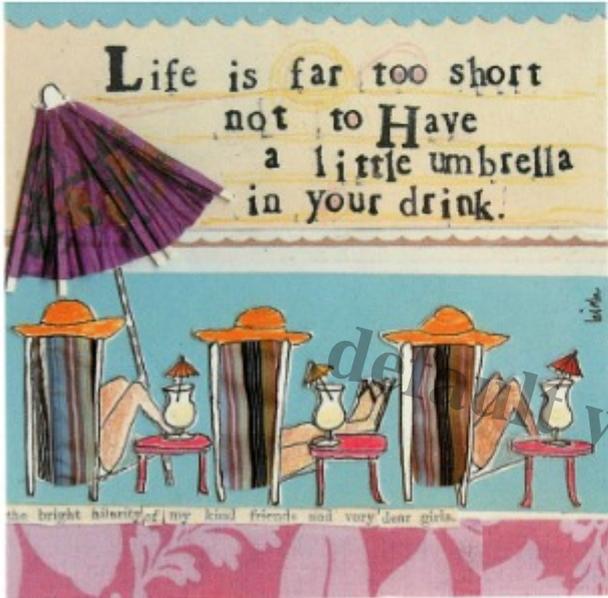

Fireflies is a fun website offering whimsical goodies that will brighten your day. April at [Catching Fireflies](#) recently contacted me and offered to do a giveaway for a \$43 certificate to their online store. I thought \$43 was a strange amount, but she explained the reason was because \$43 is fun and quirky just like them. I like how they roll and I love their offering of [creative gifts](#).

They offer a number of [unique kitchen gifts](#) that are fun like gurgler pots (I already own one), [dog salt and pepper shakers](#) (no schnauzers though), [the funny side up owl egg mold](#), and [forked up recipe](#)

Whimsical Goodies that'll brighten your day

These are a few more items from Catching Fireflies that made me smile.

[Squgee Deluxe Squirrel Feeder](#)â€™ I normally wouldnâ€™™t have picked this item out, but I have a house in the country with wood shingles that squirrels love to destroy. This might keep them busy so they quit wrecking havoc on my home.

[Good Night IPad Book](#)â€™ Good Night Moon was one of my childrenâ€™™s favorite books. I love how this book is geared toward the electronic generation. Adults included!

[Curly Girl Napkins](#)â€™ I love these fun napkins by Curly Girl Designs. I own them and several of her cards.

[Follow Your Heart Compass](#)â€™ It speaks for itself.

[All You Need is Love and a Dog Rustic Chalkboard Sign](#)â€™ Everyone should know the unconditional love of a dog at some point in their life.
