

Thistlewood Farm's Favorite Home Decor Finds

Description

I've been following the blog [Thistlewood Farm](#) for over a year and I'm always amazed at the DIY projects that KariAnne creates. She has a great eye for decorating and I love her cozy farmhouse

style. She recently renovated this amazing [beach house bedroom](#).

I love sharing my favorite finds and asked KariAnne if she would share some of her favorite home decor finds. I had the pleasure of meeting her in person at the [SNAP Conference](#) this Spring and she is as sweet and funny in person as she is on her blog. I'm not lying when I say that meeting her ranked pretty close to attending the Oprah show years ago. For those of you that know me well, you know how much I love Oprah.

KariAnne writes the lifestyle blog, [Thistlewood Farm](#) from the back porch of her turn-of-the-century farmhouse in the beautiful rolling hills of Kentucky. Thistlewood Farm was awarded Country Living

Decorating blog of the year as well as named one of the top 10 decorating blogs by Better Homes and Gardens. KariAnne loves to paint mismatched chairs, listen to the crickets singing in the back pasture, walk hand-in-hand with her knight-in-shining armor as the sun sets over the river and drink sweet tea with lime during a thunderstorm. And she has never met a decorating project she didn't like.
