# 25 Fall Recipes

joyfulscribblings.com

I love the scents and flavors of Fall. The smell of apples and pumpkin spice make me want to curl up under a blanket with a hot beverage, something sweet and a good book. It's my favorite time of the year. I've found so many delicious looking Fall recipes on Pinterest lately that I couldn't wait to share them with you all. When I think of Fall, apples, caramel and pumpkin immediately come to mind. All of these recipes have at least one of those ingredients.

Read through the list and just click on the link if one these recipes sounds enticing to you. There is an assortment of recipes ranging from drinks to dessert. I've also included a few of my own favorite past recipes.
