# Inspiring Spring Ideas

joyfulscribblings.com

I returned from my Spring Break trip to New York City to find once dormant trees blooming in Kansas City. According to the calendar it's now officially spring and I'm ready for a reawakening and new growth. I've been in the mood to simplify things in my home life and clear out things that are weighing me down. It's going to be a busy spring and I'm always on the look out for new ideas to inspire me.

I love the idea of starting a capsule wardrobe to simplify decisions about what to wear. I learned about the capsule wardrobe plan about a year ago, but I still have yet to attempt to create one. I tend to already wear the same 3 pairs of pants from Athleta, 2 pairs of jeans, and one pair of chino pants. The [metro slouch pant from Athleta](#) is comfortable, flattering and my go-to pant. I love this [step-by-step guide from The Everygirl](#) on how to build a spring wardrobe capsule. Spring can be one of the toughest seasons to know what to wear in Kansas City. One day itâ€™s 40 and the next day itâ€™s 78 degrees.

# HIBISCUS ICED TEA SPARKLER

WWW.DIETHOOD.COM

I get extra thirsty during the spring and summer months and love a glass of tea or a fun cocktail. I love drinks which are a little out of the ordinary for a change every now and then. This [hibiscus iced tea sparkler](#) from Diethood caught my eye from a roundup of [12 cocktails for spring entertaining](#) from About.com. Perhaps try one as part of my [get out of your box challenge](#) this month. My [white sangria recipe](#) also makes a great non-alcoholic drink option for spring and summer entertaining.

These [chocolate peanut butter peeps skillet sâ€™mores](#) from How Sweet It Is made me SMILE. Chocolate and peanut butter are my favorite combination of flavors. Iâ€™m a HUGE fan of sâ€™mores and PEEPS were a staple during the Easter season in my home. My 76-year-old mother still loves a PEEP. I havenâ€™t tried to make this yet, but Iâ€™m smitten with the beautiful colors and

delicious gooeyness of toasted PEEPS.

## Flower PRINT + SCRAPE PAINTING

I love this [fun painting activity](#) you can do with kids from Playful Learning. Create your own Monet painting with flowers. My kids would have loved doing this when they were younger. I would actually enjoy doing it myself!
