What are you excited about this week? Do you have any new favorite finds such as a television show, recipe or pumpkin spice flavored product? Please leave a comment and share what youâ€™ve enjoyed this week. A few things Iâ€™m enjoying are as follows.

To Eat: [Cheesy Chicken and Sweet Potato Enchiladas](#)

I made this easy recipe from Kraft's Food and Family Magazine for cheesy chicken and sweet potato enchiladas and it was delicious. The sweet potatoes give this dish a fall touch and it's an ingredient I've never had in an enchilada up until now. Get out of your comfort zone and give it a try.

To Drink: [Limoncello Margaritas](#)

I shared a recipe for [homemade limoncello](#) last week and I’ve been on a quest for drink recipes to use it in. I love margaritas and thought this limoncello margarita from Simply Sated looked like a nice thirst quencher.

theSkimm is the daily e-mail newsletter that gives you everything you need to start your day. We do the reading for you - across subject lines and party lines - and break it down with fresh editorial content.

We read. You Skimm.

My friend Anne introduced me to theSkimm. Two friends who are passionate about news created theSkimm which gives you the scoop on current events in a fun and sometimes sarcastic tone. I donâ€™t watch the news and I donâ€™t read the paper, but I love skimming The Skimm.

To Watch: This is Us

This Is Us is a new show this fall on NBC. Iâ€™ve only watched one episode, but I have a gut feeling Iâ€™m going to love it. The first show has a bit of a twist which I find very interesting and Iâ€™m curious to see how it plays out throughout the season. Did you see *This is Us*? What do you think?

Joysful Scribblings

It's officially fall now and last October I announced my eBook filled with 31 challenges to encourage curiosity. When you subscribe to my blog you get a link with a free download option. My eBook has since evolved into the new theme of my blog. I truly believe it's important to get out of your comfort zone and live curiously if you want to grow as a person. I shared [11 fall challenges](#) last fall that I thought would be fun to revisit in case you missed them.

What are you loving this fall?
