This blog is a personal blog written and edited by me. This blog accepts forms of cash advertising, sponsorship, paid insertions or other forms of compensation.

## Disclosure Policy

The owner(s) of this blog is not compensated to provide opinion on products, services, websites and various other topics. The views and opinions expressed on this blog are purely the blog owners. If we claim or appear to be experts on a certain topic or product or service area, we will only endorse products or services that we believe, based on our expertise, are worthy of such endorsement. Any product claim, statistic, quote or other representation about a product or service should be verified with the manufacturer or provider.

Occasionally I will add affiliate links within my post. I do earn a small commission on these items if purchased, but I would not recommend them if I didn't truly love them. The profits from these items help to offset some of the costs of projects and maintaining a website.

This blog does not contain any content which might present a conflict of interest.
